### Learn, explore, have fun, and stay safe!

If you have access to an outdoor space, whether it’s your own backyard, a park, or any other land near your home, use our springtime Backyard Bingo to stay grounded and help kids discover the outdoors. You can even get a lot of the squares just looking out the window!

- When you see one of the items on the board, check it off.
- Get five squares in a row in any direction for Bingo.
- Then try for another row, or even fill the board!

**Thanks for playing and enjoy the outdoors!**

---

**Parents:** Share your child’s discoveries on Instagram or Facebook, #staygroundedvt

---

**Want to get creative?**

Bring a sketchbook or camera outside and draw or take photos of the things you find!

---

**Remember to 🟢 for ticks!**

---
